

**TOWN OF HAMPTON  
SPECIAL COUNCIL MEETING  
August 21, 2014**

A special meeting of Council was held in the Council Chambers at 27 Centennial Road on August 21, 2014 commencing at 8:00 a.m.

**ATTENDANCE:**

Council: Mayor Ken Chorley Deputy Mayor Gary Crossman Councillor Peter Behr

Staff: Richard Malone, Town CAO/Assistant Town Clerk  
Megan O'Brien Harrison, Clerk/Communications Officer

**1. OPEN SESSION**

Mayor Chorley called the Open Session to order at 8:15 a.m.

**2. NEW BUSINESS**

2.1 **PROPOSED DEER MANAGEMENT PLAN**

The Clerk noted that the Town of Hampton began receiving form letters from a Peta.Org action campaign. All emails stated that they were from: [advocate@animalactivist.com](mailto:advocate@animalactivist.com)  
The body of the email stated:

*I was dismayed to learn that the New Brunswick Department of Natural Resources has reportedly asked Kennebecasis Valley communities to consider bowhunting--one of the cruelest modes of killing--to control deer populations. Bowhunters often spend hours tracking the blood trails of wounded animals, and many victims are never found, eventually succumbing unseen to their injuries. Families are torn apart, and orphaned young are left to starve. And reports of wounded deer careening wildly onto busy roadways or crashing through residential windows are not uncommon. Killing also backfires because the resultant spike in the food supply accelerates breeding among survivors and newcomers!*

*Please oppose bowhunting. If deer control is determined to be necessary, please stick with humane control methods.*

*Sincerely,*
