1. OPEN SPECIAL SESSION

Mayor Chorley called the Open Session to order at 8:15 am.

2. NEW BUSINESS

The Public Works Department reported on their findings on the inspection of a used bucket truck. It was noted that there would be significant savings for the Town if we owned and operated our own bucket truck as we currently are required to rent one to decorate and undecorate the Christmas Tree, put up and down banners, put up and down Christmas decorations and put up and down the flower pots. The bucket truck can also be used to put up and take down the ballfield netting.

Moved by Councillor Beach and seconded by Councillor Behr that the Town of Hampton proceed with the purchase of a 2008 International 4400 Truck with an Altec TA41M boom and body from Grand River Logging for the cost of seventeen thousand dollars (\$17,000.00), including delivery to Hampton plus tax.
