 - (e) Shall report all fires to the Fire Marshal as required by the Fire Prevention Act.
 - (f) Shall assist in the submission to the Council for Council's approval the Annual estimates of the Departments.
 - (g) Each Department shall make a monthly report to the Council of the activities of the Departments during the preceding month including all calls answered by the Department.

- (j) Each Department shall make an annual report to the Council for the preceding year, summarizing all calls, all fires, an inventory of the fire-fighting equipment, names of all members of the Department and recommendations to promote the efficiency of the Department.
- (k) Shall have full charge and sole command over the conduct of all persons at the fire whether they are members of the Fire Department or not.
- (l) Shall assign to the firefighters their regular duties and other duties they deem proper.
- (m) Shall make or cause to be made a record of the attendance of all firefighters at each fire.
- (n) May suspend any member of the Department for neglect of duty, misconduct or breach of any by-law or regulation and shall forthwith report the suspension to the Council; and
- (o) Shall recommend to Council the dismissal of a volunteer firefighter, for just cause.

DEPUTY FIRE CHIEF AND ASSISTANT DEPUTY FIRE CHIEF

12. While on duty, a deputy fire chief and/or an assistant deputy fire chief:
- (a) Shall respond promptly to all fire alarms.
 - (b) Shall obey all lawful orders of the fire chief; and
 - (c) Shall in the absence of the fire chief, have all the power and perform all the duties of the fire chief.

VOLUNTEER FIREFIGHTERS

13. (a) A person qualified to be appointed a volunteer firefighter for the Department for firefighting duties:
- i. Shall be of good character.
 - ii. Shall pass such aptitude and other tests as may be required by the Fire Chief; and
 - iii. Shall be medically fit to be a member as certified by a physician.
- (c) A person appointed as a volunteer firefighter of the Department for firefighting duties shall be on probation for a period of six (6) months from the date of Council approval.
- (d) If a probationary volunteer firefighter appointed for firefighting duties fails any such examinations, the Fire Chief may recommend to the Council that they be dismissed.

- (e) When so ordered by the Fire Chief, all volunteer firefighters shall assemble for drill and instruction in the use of firefighting equipment at the time and place specified by the Fire Chief.

GENERAL

- 14. Firefighters of the Fire Department shall comply with this by-law and the rules and regulations of the Department.
- 15. Fire Department vehicles and firefighting equipment shall not be used for any work other than work of the Fire Department without the consent of the Fire Chief.
- 16. No Fire Department vehicle shall be used for emergency transportation of a person other than a firefighter of the Fire Department, except with the consent of the Fire Chief or the officer in charge.
- 17. (a) No firefighting equipment shall be taken beyond the limits of the Hampton Fire-Rescue Department and/or Nauwigewwauk Fire-Rescue coverage area except with the permission of the Fire Chief or the officer in charge.

(b) When any firefighting equipment is taken beyond the limits of the coverage area to any fire, the fire chief or designate shall appoint a member of the Fire Department to take charge of the firefighting equipment.
- 18. The owner of a structure which has a sprinkler connection shall provide free access for fire vehicles to the building sprinkler connection. The owner shall identify this access by placing no parking signs and installing posts to identify this no parking area.
- 19. In the absence of the Fire and Deputy Fire Chief and Assistant Deputy Fire Chief, a senior officer of the Department shall have all the power and perform all the duties of the Fire Chief.

PREVENTION & EXTINGUISHMENT OF FIRES

FIRE PREVENTION OFFICER

20. (a) A Fire Prevention Officer is subject to directions of the Fire Chief and is charged with the responsibility to enforce this by-law, regulations, the Fire Prevention Act or other laws relating to the prevention and extinguishment of fires.
- (b) A Fire Prevention Officer:
- (i) is empowered to enforce the provisions of this and any other by-law relating to the prevention and extinguishment of fires;
 - (ii) is authorized to enforce the Fire Prevention Act and the regulations made there under; and
 - (iii) without limiting the generality of the foregoing, has herewith conferred upon him the same powers under the same conditions as are conferred upon the Fire Marshall by Sections 12, 16 and 21 of the Fire Prevention Act.
21. A Fire Prevention Officer or any person authorized in writing by a Fire prevention Officer may, upon complaint of a person interested, or where a Fire Prevention Officer deems necessary without such complaint may at all reasonable times enter and inspect any building or premise within the boundaries of the municipality of Hampton for the purpose of fire prevention or to investigate the cause or origin of a fire.

ORDERS

22. (a) An Order of the Fire Prevention Officer or Fire Chief, under terms of this By-law shall be in writing and signed by the Fire Prevention Officer or Fire Chief for any infractions of this By-law, regulations, Fire Prevention Act or other laws relating to the prevention and extinguishment of fires.

NOTICE

- (b) Where a condition mentioned in Section 22 (a) exists, a Fire Prevention Officer or Fire Chief, appointed by Council, may notify the owner or occupier of the premises, building or structure and the notice shall
- (i) be in writing,
 - (ii) be signed by the Fire Prevention Officer or Fire Chief,
 - (iii) state that the condition referred to in subsection 22 (a) exists,
 - (iv) state what must be done to correct the condition,
 - (v) state the date before which the condition must be corrected, and
 - (vi) be served either by personal delivery on the person to be notified or by posting in a conspicuous place on the premises, building or structure.

- (c) Proof of the giving of notice in either manner provided for in subsection 22 (b) (vi) may be by a certificate or an affidavit purporting to be signed by the Fire Prevention Officer or Fire Chief or such other person acting on behalf of the Fire Prevention Officer or Fire Chief referred to in subsection 22 (b), naming the person to whom notice was given and specifying the time, place and manner in which notice was given.
- (d) A document purporting to be a certificate or proof of service under subsection 22 (c) shall be admissible in evidence without proof of signature, and conclusive proof that the person named in the certificate received notice of the matters referred to in the certificate.
- (e) In any prosecution for a violation of this by-law, where proof of the giving of notice is made as prescribed under subsection 22 (c), the burden of proving that one is not the person named in the certificate or affidavit shall be upon the person charged.
- (f) A notice given under subsection 22 (c) and purporting to be signed by the Fire Prevention Officer or Fire Chief appointed by Council shall be
 - (i) received in evidence by any court in the Province without proof of the signature,
 - (ii) proof in the absence of evidence to the contrary of the facts stated in the notice, and
 - (iii) on the hearing of any information for a violation of this by-law, proof in the absence of evidence to the contrary that the person named in the notice is the owner or occupier of the premises, building or structure in respect of which the notice was given.
- 23. The Fire Prevention Officer or Fire Chief has the authority to complete items outlined in an order issued by the Fire Prevention Officer or Fire Chief, provided that the expenditure involved is not more than three hundred dollars and, with the approval of the Council, any order involving an expenditure of more than three hundred dollars.

BURNING

- 24. No person shall burn or cause to burn any material out of doors on public or private property within the Hampton town limits except as follows and subject to any provincial laws or regulations to the contrary.
 - (a) A firefighter may set an outside fire for the Hampton Fire-Rescue Department and/or the Nauwigewauk Fire-Rescue Department for educational and training purposes;
 - (b) A person is permitted to set a fire for the purpose of cooking food on a barbeque.
 - (c) A person who has sought a Hampton burning permit who is abiding to the conditions of

same.

- (d) In this section “outdoor wood burning appliance” means a manufactured non-combustible enclosed container designed to hold a small fire for decorative purposes and the size of which is not larger than one (1) meter in any direction, and may include, but not limited to, chimneys.

A person may set a fire in an outdoor wood burning appliance provided that:

- (i) it is located at a distance of not less than three (3) meters between the appliance and any building, structure, property line, tree, hedge fence, roadway, overhead wire or other combustible article.
- (ii) it is not placed on a wood deck or other combustible platform.
- (iii) only one appliance is to be used on the property at any one time.
- (iv) it is used to burn only dry, seasoned firewood.
- (v) a portable fire extinguisher or operable garden hose is readily available while the unit is in use;
- (vi) the Owner or occupant maintains constant watch and control over the appliance when in use and until the fire is totally extinguished; and
- (vii) it does not allow smoke, smell, airborne sparks or embers to infringe on the use and enjoyment of other properties.
- (viii) the burning is consistent with the policies of the Department of Natural Resources and the Department of Environment.
- (ix) it has been inspected by and received a permit from Hampton Fire-Rescue or Nauwigewauk Fire-Rescue.

PETROLEUM PRODUCT STORAGE

25. No person shall store gasoline, oil, liquefied petroleum gases or other petroleum products except in facilities meeting the standards contained in the latest edition of the National Fire Code of Canada.

SELF SERVICE FACILITIES

26. Self service facilities for the dispensing of flammable liquids shall be in accordance with the requirements of the Fire Prevention Act and Subsection 4.5.8, Part 4, of the National Fire Code of Canada, latest edition.

BUILDING DEMOLITION

27. The Fire Chief or the Hampton Council may, in order to prevent the spread of fire, issue an order for the pulling down, demolition or removal of any building or structure.

FALSE ALARMS

28. Every owner of a building, in which a fire alarm system is installed, is responsible for false alarms generated for that building. The Hampton Fire-Rescue Department and/or the Nauwigewauk Fire-Rescue Department *may* charge the owner of a building from which a false alarm is generated an escalating fee of \$100 per incident. Each subsequent false alarm in a calendar year may cause an additional \$100 to be charged to the owner of said building. Two false alarms per year per building will be allowed with no charge being applied to the building owner.

GENERAL

29. Upon request of the Fire Chief or Deputy Fire Chief or Assistant Deputy Fire Chief, any person present at a fire shall assist any firefighter in the performance of their duties at the fire and shall obey all orders and directions given to them by the Fire Chief or Deputy Fire Chief or Assistant Deputy Fire Chief in connection with the fire.
30. (a) Whenever the Fire Chief, Deputy Fire Chief, Assistant Deputy Fire Chief or other person in charge of a fire deems it advisable to guard that locality of the fire from the crowding of persons or vehicles, they may place or cause to be placed a rope or other barrier across any street or public place to indicate the area from which persons or vehicles are prohibited.
- (b) No person except members of the Fire Department, the Police and the owner of a property endangered by the fire, shall enter or be within an area marked off by ropes or barriers under Subsection (a).
31. No person:
- (a) shall drive a vehicle over or across an unprotected hose or other firefighting equipment unless they are given permission to do so by a firefighter or peace officer.
- (b) shall interfere with or obstruct a Fire Chief or Deputy Fire Chief or Assistant Deputy Fire Chief or any firefighter in the performance of his duties at a fire; and
- (c) shall operate a fire emergency vehicle while under the influence of intoxicating liquor or drugs.

32. No person shall place merchandise so as to obstruct the entrance into any premises by firefighter through any window, door, stairway or passageway.
33. If Hampton Fire-Rescue and/or Nauwigewauk Fire-Rescue responds to a motor vehicle incidents or other emergency and determines it necessary to:
- (a) call in additional or special resources; and/or
 - (b) retain a private contractor; and/or
 - (c) rent special equipment not normally carried on a fire apparatus; and/or
 - (d) consume materials or supplies in order to suppress or extinguish a fire, preserve a property or prevent a fire from spreading or otherwise control and eliminate an emergency; and/or
 - (e) operations at the incident have damaged apparatus or equipment owned by or under the control of Hampton Fire-Rescue and/or Nauwigewauk Fire-Rescue, the motor vehicle owner(s) or property owner(s), individually or jointly, may be charged those expenses or costs for damages incurred.

PENALTY

33. (a) A person who breaches this by-law or who fails to comply with an order of the Fire Prevention Officer or Fire Chief authorized by this by-law commits an offence punishable under part II of the Provincial Offences Procedure Act as a category E offence.
- (b) Where a person is convicted of an offence under subsection 33 (a), the court, in addition to any penalty imposed under subsection 33 (a), may order that person to comply with the order.
- (c) A person who fails to comply with an order of the court under subsection 33 (b), commits an offence punishable under Part II of the Provincial Offences Procedure Act as a category F offence.

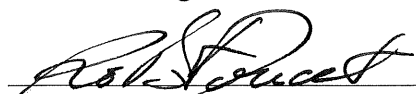

VALIDITY

34. The invalidity of any section, clause, sentence or provision of this By-Law shall not affect the validity of any other part of this By-Law which can be given effect without such invalid part or parts.
