Please read before performing any burning

Burning brush or yard debris:

Permits for the burning of brush during the forest fire burn season are valid based on the Dept. of Natural Resources Burning Permit Information Line. This service is available typically from the beginning of April until the end of October. If you have obtained a permit outside this burn season, please call the Fire Department - Fire Prevention Division at (506) 650-8517. If there is no answer, please leave a message for when you intend to burn. **Burning permits are required within Hampton during the entire year.**

During the forest fire burn season, you must call Natural Resources at 1-866-458-8080 (toll free) to determine the burning conditions for Kings County **every day prior to any burning.**

If burning is permitted in Kings County, then burning will also be permitted within Hampton.

If burning is restricted (burning allowed from 8:00pm to 8:00am), then burning in Hampton will also be restricted to these times. If burning is not permitted (Kings County is closed), then no burning is permitted within Hampton. The Natural Resources forecast is updated daily and is valid from 2:00pm till 2:00pm the following day.

Brush permits will be issued for a period of 7 days only and renewals must be obtained through the Fire Prevention Division of Hampton Fire by calling (506) 650-8517 (if no answer, please leave message).

Any fires, found unattended by any member of the Fire Department, shall be extinguished and the permit revoked at the discretion of the Fire Department.

Burning permit policies: an unreasonable amount

- Brush piles shall be no bigger than 3 metres in diameter (10ft) and no higher than 2 metres (6.5ft).
- A minimum clearance of 10 metres (30ft) shall be observed from any property line.
- A minimum clearance of 4.5 metres (15ft) shall be observed from any combustible structure or trees.
- A responsible person shall be present at all times of burning.
- A garden hose and shovel or rake shall also be available to prevent the spread of fire.

Acceptable items for burning include:

- Brush
- Clean scrap lumber
- General yard clean-up

Unacceptable items for burning include:

- Leaves or grass (can be composted for pick up)
- Construction or demolition debris (i.e.: OSB, MDF, Pressboard etc.)
- Pressure treated lumber or materials
- Any household garbage
- Any material that produces an unreasonable amount of smoke

Persons in possession of a Burning Permit issued from the Fire Department shall assume full responsibility for any and all damages and expenses incurred from the use of this permit. The Fire Department Reserves the right to order any fire extinguished and/or revoke or suspend any burning permit at any time.
