

HAMPTON PERMIT APPLICATION

PLANNING, ENGINEERING & DEVELOPMENT DEPARTMENT

DEVELOPMENT PERMIT - SITE-SPECIFIC WORK, NEW CONSTRUCTION & MUNICIPAL SERVICE

The following application is required to review development as it relates to construction on a Property/Lot, Municipal Service Connection (Water/Sanitary) and Site-Specific Work (clearing, grubbing, levelling, infilling, excavation, and culvert installation). No building or structure shall be erected or altered, including demolition, nor the use of any building structure or lot to be changed unless a Development/Building Permit has been issued and no Development permit shall be issued unless all provisions of Hampton's By-laws are satisfied. For any questions/clarification or assistance with the application, please Contact Planning, Engineering & Development at (506) 832-6065, via email: planning@hampton.ca

APPLICANT INFORMATION

Name: _____ Telephone/Cell Number: _____

Mailing Address: _____ Province: _____ Postal Code: _____

Email Address: _____ Contractor: _____

Is this application submitted with a Building Permit Application? YES NO

Please complete Site Plan and include with application. Site plan includes property line, environmental features (river, streams, wetlands, etc.), building/structure setbacks from property lines (front, rear & side yard), building/structure location, culvert/municipal service location, property grading arrows, street, driveway, utilities, etc. as shown on sample site plan.
